Sir:

Responsive to the Examiner Report of February 6, 2007, please
amend the application as follows:

Please cancel Claims 33 and 34.

This application now contains Claims 17-23 and 32. Claims 17-
23 have been allowed. A Status of Claims is submitted on the next
page of this document.

Claim 32 was originally filed November 15, 2005. There was
never any intention on the part of Applicant to amend that claim.
However, in Status of Claims with amendment dated July 18, 2006 the
following crucial language was inadvertently omitted from Claim 32:

"...through the same transfer location..."

Remarks continue on the page following Status of Claims.
